

TITLE RECOGNITION AND AWARD CRITERIA

PDODC Title Recognition

Individuals may apply for title recognition for all titles gained in disciplines offered at the Club. Titles are recorded for a year starting from 1st of November and ending on October 31st. Recognition is based on the date that the title is awarded and not the dates of the qualification passes obtained to gain the title. Application for title recognition must be made on the designated form and be accompanied by the appropriate supporting documentation. All paperwork for consideration must be submitted to the Registrar by November 7th of any given year to be recognised for that year. Any applications submitted after the November 7th deadline will not be considered unless there are exceptional circumstances and it will be at the discretion of the Registrar if the title is recognised.

For a title to be recognised by PDODC the following conditions must be met:

1. The application was a financial member of Para District Obedience Dog Club when the title was achieved
2. The application must list PDODC as their **FIRST** club affiliation. Where club affiliation is not stipulated due to electronic entry the applicant must declare that PDODC is their **FIRST** club affiliation on the title recognition application form
3. The application was a financial member when the passes towards a title was achieved. Where an applicant was a financial member for some passes but not all the following applies:
 - a. For titles where three qualification passes are required the applicant must have been a financial member for two qualification passes
 - b. For titles where four or more qualification passes are required the applicant must have been a financial member for 75% of the qualification passes towards the title
 - c. Where members dues are paid late, any passes obtained while the applicant was not financial will not be counted and only passes obtained after the fees were paid will be considered. The closing date of the trial is used not the trial date were fees have been unpaid for a period of time.

For the discipline of Flyball only, members are not required to submit a title recognition application as points are recorded automatically via the Australian Flyball Association website. Only points accumulated towards titles while racing for a PDODC team will be counted. Therefore any points gained while racing in OPEN or similar categories where club affiliation is not required will not be counted.

All titles submitted to the Registrar will automatically be considered for any relevant PDODC Awards.

TITLE RECOGNITION AND AWARD CRITERIA

PDODC Awards Criteria

Any titles submitted to the Registrar for recognition will automatically be considered for all awards where the individual meets the following criteria:

1. The applicant is a financial member of Para District Obedience Dog Club and resides in South Australia. Where there is joint ownership of a dog, both owners must be financial members.
2. If the yearly membership were unpaid within 3 training weeks of the start of the training year (as stipulated in the Club Rules), points may only be accumulated from the date of payment of fees. The closing date of the trial is used not the trial date where fees remained unpaid for a period of time.
3. Interstate passes will be eligible providing criteria 1 and 2 above are met.

Awards are based on points accumulated by title passes obtained between 1st of November and 31st October of any given year. Points are applied to all passes towards a title regardless of the date the pass was obtained. The Dog/Bitch with the most accumulated points will be the recipient of the award for that year. Where two individuals end up on the same points the award will be jointly awarded.
